SNOW AND ICE REMOVAL

FROM PUBLIC SIDEWALKS. The owner, occupant or person in charge of each and every home or building in the Village fronting upon or adjoining any street and the owner or person in charge of any unoccupied building or lot fronting upon or adjoining any street, shall clean the sidewalk in front of or adjoining each home or building, or unoccupied lot or building, as the case may be, of snow or ice to the width of such sidewalk within 24 hours of the snowfall or formation of such ice or any continued snowfall and cause the same to be kept clear thereof; provided that when the ice has formed on any sidewalk so that it cannot be removed, the persons herein referred to shall keep the same sprinkled with ashes, sawdust or sand. In construing the provisions of this section, where the premises are occupied, the occupant or person in charge shall be deemed the person whose duty it shall be to comply with the provisions of this section.

(a) Any person who shall fail to comply with the provisions of this section shall be subject to a Class III penalty as provided in §25.04 of the Municipal Code. Each hour of violation shall be deemed a separate offense.

(b) Any property which is subject to this section and upon which there is noncompliance therewith shall have, at the option of the Village, such snow and ice removed therefrom and a charge for the same shall be made at a rate of not less than \$0.30 per running foot for snow removal and a reasonable charge, depending on the circumstances, for removal of any ice, and in case the charges for the snow and ice removal are not paid within 30 days after billing by the Village to the responsible party and abutting owner of the land, interest at the rate of 12% per annum may be charged by the Village to the property owner to the time when paid prior to the end of the calendar year in which such service was performed and thereafter, if not paid, the

interest and sum due may be placed on the tax roll as a charge against the real estate due and payable to the Village as any other non-installment assessment is payable.

FROM PRIVATE SIDEWALKS, DRIVEWAYS OR PARKING LOTS. (a) No person shall remove or cause to have removed snow or ice from private sidewalks (those sidewalks not fronting upon or adjoining a street), driveways, or parking lots into or on any public right-of-way without first obtaining written permission from the Village. (b) Any person who violates the provisions of this subsection shall be subject to a Class III penalty as provided in §25.04 of the Municipal Code.

SNOW EMERGENCIES

1. The Chief of Police may declare a snow emergency when circumstances require and give such further directions or orders pertaining thereto as are within the authority granted him by the Village Board.

2. Upon the declaration of a snow or snow removal emergency by the Chief of Police or the Village Board in conjunction with the Director of Public Works, regulations necessary to make effective the provisions of this section are to be made. This subsection shall supersede all other parking regulations in force or posted on any street and shall require no posting of these emergency snow parking regulations.

a. When it becomes necessary to plow streets because the accumulation of snow thereon is causing a hindrance to traffic as constitutes an emergency unless promptly removed as declared, the Chief of Police or his designated subordinate shall, by appropriate public media, declare the beginning of an emergency and the application of emergency snow parking regulations, which regulations shall remain in force and effect until lifted by the Chief of Police or his designated subordinate. For the purpose of this subsection, the accumulation of snow on any streets or area sufficient for the application of emergency regulations herein shall be any such accumulation of snow which hinders the movement of traffic thereon or that impedes the ability of emergency and public transportation vehicles to travel safely and expeditiously over such streets or areas.

b. When necessary for the clearing, removal and plowing of snow or ice from any street or for other emergency or special conditions as declared, the Chief of Police or his designated subordinates are hereby authorized to make and carry out regulations and procedures sufficient to effectively cope with such emergency or special conditions to include:

- Making temporary regulations directing traffic and regulating parking.
- Such other and further regulations and restrictions as to traffic and parking as may be designated when necessary.

c. During such emergency, no person shall remove or cause to have removed snow or ice into or on any public right-of-way without first obtaining written permission from the Village.

d. Whenever a snow emergency exists as declared herein and any motor vehicle remains on the street or public parking lot in violation of this section, it may be removed by or under the direction of the Police or Public Works Department after one such department has attempted to notify the owner to remove such vehicle and it has not been removed. If such motor vehicle is removed by or at the direction of the Village, a reasonable cost of such removal may be charged against the owner thereof. The removal of the car by or under the direction of the Village shall not prevent prosecution under this section.
