- 6) Chief of Police report.
- 7) Consider body armor policy.
- 8) Set next meeting date and agenda.
- 9) Adjourn.

A QUORUM OF THE VILLAGE BOARD/VILLAGE COMMITTEE MEMBERS MAY BE PRESENT AT THIS MEETING. ONLY NOTICED AGENDA ITEMS WILL BE ACTED ON BY THE GOVERNMENTAL BODY SPECIFIED ABOVE.

PLEASE NOTE THAT, UPON REASONABLE NOTICE, EFFORTS WILL BE MADE TO ACCOMMODATE THE NEEDS OF DISABLED INDIVIDUALS THROUGH APPROPRIATE AIDS AND SERVICES. FOR ADDITIONAL INFORMATION OR TO REQUEST THIS SERVICE, CONTACT CHERYL SUTTER, CLERK, AT 138 E MAIN STREET, MOUNT HOREB, WI (608) 437-6884.

PUBLIC SAFETY COMMITTEE
JUNE 20, 2011

The Public Safety Committee of the Village of Mount Horeb met on the above date at 5:00pm in the Conference Room of the Municipal Building, 138 E Main Street, Mount Horeb, WI. Chair Mark Rooney called the meeting to order with Steve Grindle, Mike McNall, and Greg Steiner present. Steve Holum was absent. Also present were Police Chief Jeff Veloff and Interim Village Administrator Dave Berner.

INTERIM ADMINISTRATOR BERNER BRIEFING: Berner briefed the Committee on Ordinance 2011-08 related to the Public Safety Committee and role as an advisory body to the Village Board.

VILLAGE PRESIDENT BECKER BRIEFING: Becker briefed the Committee on their structure and role. He also expressed his appreciation for them serving on the Committee.

FUTURE MEETING DATES AND TIMES: Chair Rooney discussed times and dates for future Committee meetings. It was decided that, in most cases, the Committee would meet the first Monday of the month at 5:00pm.

CROSSING GUARDS: Veloff discussed the history of crossing guards (concerns and staffing) in the Village. Rooney suggested that police science students be contacted at Edgewood College and MATC to see if they are interested in the position.

Also discussed were some possible traffic solutions for the area of 8th and Garfield St. Some solutions discussed were right turns only from Garfield onto 8th St. on certain times of day, designated student drop off areas for schools, raising the crossing guard hourly pay, a traffic study by a traffic engineer, contacting Wisconsin DOT for suggestions as 8th St. in front of the High School is STH 92. Rooney recommended a meeting with the Police Chief, DOT representative, engineer Rob Wright, and a school board representative at a future date after a joint Mount Horeb School Board and Mount Horeb Village Board meeting.

McNall moved, Steiner seconded to recommend the village continue to provide a crossing guard at 8th St. and Garfield St. every school day. Motion carried.

POLICE REPORTS AND SCHOOLS: Veloff discussed the history of the police department sharing student related incident reports with the schools. Veloff stated that some of the information being discussed among the school board and administrators, according to the School Liaison Report dated June 1, 2011, relating to this issue is not correct. Veloff advised that the police department shares reports with the schools related to; threats to staff or students, damage to school property, incidents that occur on school property, incidents that occur at a school related function or event, and the majority of reports that "may" be shared with the school by the police department per Wisconsin statutes. Veloff also discussed the Dane County Sheriff's Office procedure of releasing reports to schools. Grindle suggested obtaining a copy of the Dane County Sheriff's Office policy/procedure and consider modeling a policy similar to theirs. Grindle moved, McNall seconded looking into a policy related to releasing police reports to school officials. Motion carried.

LAKE STREET TRAFFIC: Rooney discussed traffic concerns on Lake St. Veloff shared a traffic/speed report generated by the speed trailer computer. Veloff also shared information related to several officer speed patrols that have been conducted on Lake St. The committee decided not to take any action at this time.

CHIEF OF POLICE REPORT: Veloff shared the monthly police report for May, 2011 with the committee.

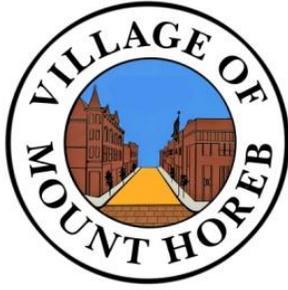

BODY ARMOR POLICY: Veloff discussed that a body armor policy was mandated by the federal government if we wish to continue to receive federal funding for the issue and replacement of officer body armor. McNall moved, Grindle seconded to approve the body armor policy. Motion carried.

NEXT MEETING: The next Public Safety Committee meeting was set for August 1, 2011 at 5:00pm.

ADJOURN: Grindle moved, McNall seconded to adjourn. Motion carried at 7:15pm.

Respectfully submitted,

Jeff J. Veloff, Chief of Police

PUBLIC SAFETY COMMITTEE

MONDAY, AUGUST 1, 2011

The Public Safety Committee of the Village of Mount Horeb will meet on the above date at 5:00pm in the Conference Room of the Municipal Building, 138 E Main Street, Mount Horeb, WI. Agenda as follows:

- 1) Call to order- Roll call.
- 2) Consider June 20, 2011 meeting minutes.
- 3) Public Comments
- 4) Chief of Police report.
- 5) Consider draft protocol on the release of police reports to the Mount Horeb Area School District.
- 6) Consider items for the 2012 police budget.
- 7) Set next meeting date and agenda.
- 8) Adjourn.

A QUORUM OF THE VILLAGE BOARD/VILLAGE COMMITTEE MEMBERS MAY BE PRESENT AT THIS MEETING. ONLY NOTICED AGENDA ITEMS WILL BE ACTED ON BY THE GOVERNMENTAL BODY SPECIFIED ABOVE.

PLEASE NOTE THAT, UPON REASONABLE NOTICE, EFFORTS WILL BE MADE TO ACCOMMODATE THE NEEDS OF DISABLED INDIVIDUALS THROUGH APPROPRIATE AIDS AND SERVICES. FOR ADDITIONAL INFORMATION OR TO REQUEST THIS SERVICE, CONTACT CHERYL SUTTER, CLERK, AT 138 E MAIN STREET, MOUNT HOREB, WI (608) 437-6884.

PUBLIC SAFETY COMMITTEE
AUGUST 1, 2011

The Public Safety Committee of the Village of Mt. Horeb met on the above date at 5:00 p.m. in the conference room of the Municipal Building, 138 E. Main Street, Mt. Horeb, Wisconsin. Greg Steiner called the meeting to order with Mike McNall, Steve Holum, Steve Grindle and Police Chief Jeff Velloff present. Mark Rooney was absent.

MINUTES: McNall moved, Grindle seconded to approve the minutes of June 20, 2011. Motion carried.

PUBLIC COMMENTS: None

CHIEF OF POLICE REPORT: At approximately 5:07 p.m., Mark Rooney was present at the meeting.

Velloff advised that the DOT contact for 8th Street and Garfield Street traffic engineering issues is Todd Hogan with the Wisconsin Department of Transportation.

Velloff further discussed that the construction work had begun at the Mt. Horeb Police Department and that a help-wanted email had been sent to both Madison Area Technical College and Edgewood Colleges Criminal Justice Departments and that it was requested that those ads be posted.

Velloff then discussed that sixteen subjects that we know of were arrested so far in 2011 for heroin-related charges and that four of those subjects will be going to prison for related or unrelated charges. He also advised that there are active drug investigations on-going on subjects living in the village of Mt. Horeb by the Mt. Horeb Police Department and that the Dane County Narcotics and Gang Task Force is assisting on some of those cases.

The committee asked that Velloff contact Mt. Horeb Mail and ask them to have an article or a short notice advising residents to lock up their homes and cars.

Velloff advised the following K9 totals for K9 Bak throughout his career with the Mt. Horeb Police Department:

- Approximately number of K9 calls was 362 from 2002 to 2011.
- Approximate number of drug calls was 232.
- Approximately amount of money seized was \$651,500.
- Approximately total of K9 tracking calls was 130.

Velloff further advised that the K9 program will continue and that a new K9 is currently in training and will be available for service shortly.

CONSIDER DRAFT PROTOCOL ON RELEASE OF POLICE REPORTS TO MT. HOREB AREA SCHOOL

DISTRICT: Committee members and Velloff discussed the draft protocol. Velloff advised that this protocol was based very closely to a mirror image of the protocol followed by the Dane County Sheriff's

Department. He further stated that both Waunakee and Verona Police Departments were contacted by him and the protocol they follow is very similar to the proposed protocol by the Mt. Horeb Police Department. The schools in those communities also need to request reports before reports are distributed to the school district. Veloff suggested adding one thing to the draft protocol that was not on the printed copy. A log shall be maintained of all reports that are released to the school district. This log shall be kept at the Mt. Horeb Police Department.

McNall moved, Holum seconded to recommend approving the draft protocol on the release of reports to the Mt. Horeb Area School District with the addition of the log. Motion carried.

Rooney suggested that after this protocol is approved by the Village Board, a copy should be forwarded to both the Barneveld and Blue Mounds Police Departments for consideration in their communities as they also have students that attend the Mt. Horeb Area School District.

The committee requested that Veloff contact the Verona Police Department and ask how much they pay their crossing guards as well as who pays the crossing guards, the school or police department, which entity runs the crossing guard program and the advertising they do to obtain crossing guards.

2012 BUDGET: Veloff discussed his budget requests for the 2012 Police Budget. The following is an itemized list of those requests:

- Five (5) mobile data computers for a cost of approximately \$3,500.00 each for a total of \$17,500.00. Veloff discussed that currently three of the mobile data computers in operation at the Mt. Horeb Police Department operate with an operating system of Windows 2000 and two operate with Windows XP. Windows 2000 ended support sometime ago. Windows XP support will end in 2014. All five current mobile data computers are at their limit as far as the ability to run current software and will not be able to operate at an acceptable level with software upgrades in the future. It should be noted that the most recent addition of mobile data computer was purchased from the Fitchburg Police Department as a used model approximately two years ago.
- Narrow Banding. Veloff stated he is waiting for a cost estimate from General Communications regarding a cost to narrow band our local police department channel as well as the cost to narrow band each mobile and portable radio currently in use.
- Two (2) portable radios that are approximately \$3,000.00 each for the total of \$6,000.00.
- Three (3) mobile radios for a cost of approximately \$3,300.00 each for an estimated total of \$10,000.00.
- One (1) squad car which was due to be replaced in the Capital Improvement Plan in 2012 for a cost of \$25,000.00.
- One (1) additional full-time officer for a cost of \$64,000.00 to \$74,000.00 depending on if the officer has a single or family plan.

Discussion: Veloff discussed that in 2000, the population of the village of Mt. Horeb was 5,800 people with a total of ten full-time sworn officers. In 2010, the population was approximately 7,002

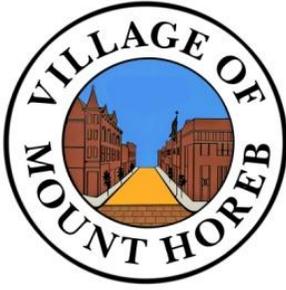

residents and the staffing level remains the same. Veloff stated that staffing has continued to fall behind the recommended levels and calls for service continue to be more time consuming and in depth increasing the need to increase staff.

NEXT MEETING: The next Public Safety meeting was set for August 29, 2011, at 5:00 p.m.

ADJOURNED: Steiner moved, Grindle seconded to adjourn. Motion carried at approximately 6:07 p.m.

Respectfully submitted,

Jeff J. Veloff, Chief of Police

PUBLIC SAFETY COMMITTEE
AUGUST 29, 2011

The Public Safety Committee of the Village of Mt. Horeb met on the above date at 5:00 p.m. in the conference room of the Municipal Building, 138 E. Main Street, Mt. Horeb, Wisconsin. Mark Rooney called the meeting to order with Greg Steiner, Mike McNall, Steve Grindle, Mark Rooney, and Police Chief Jeff Velloff present. Steve Holum arrived at approximately 5:10 p.m.

MINUTES: McNall moved, Steiner seconded to approve the minutes of August 1, 2011. Motion carried.

PUBLIC COMMENTS: None

RESIDENT NOISE CONCERN: Resident Christine Cann expressed concerns about noise related to garbage pick up at Gonstead Clinic and other businesses in the area including Walgreens. She also expressed concern of noise from Miller and Son's Grocery Store from the refrigerated cooler that is parked there overnight that is delivered by semi between the 4:30 a.m. and 5:00 a.m. on numerous occasions. She also stated that the garbage pick up at commercial businesses in the area has occurred several times between 4:00 a.m. and 5:00 a.m. and the loud noises associated with the garbage pick up has woken her up numerous times. Ordinance 8.122 was discussed related to construction noise regulations. This item was referred to the Village Administrator for possible draft ordinance related to commercial business noise beginning at a time of 6:30 a.m. to 7:00 a.m. versus 4:00 a.m. to 5:00 a.m. as currently is occurring on occasion. The item was tabled.

CHIEF OF POLICE REPORT: Chief Velloff discussed the calls for service with the Village Board for the month of July 2011. There was also discussion that the new police K9's name is Ando and that Ando should be certified and ready for patrol by late September 2011. The committee also discussed calls for service, crossing guards, and traffic patterns around the schools.

MEDICATION DROP-BOX/SAFE COMMUNITIES REQUEST: There was discussion of having a medication drop-off box located at the Mt. Horeb Police Department. The cost for this medication drop-box would be \$1,000.00 per year paid to the Safe Communities Coalition for their supply of the box as well as pick up and disposal of medications at periods when the box is full. There was a concern of needles and potentially radioactive medications being dropped off in that box. Item tabled. Chair Rooney recommended that an informational referral be made to the Village Board of the possibility of obtaining this drop-box. Steiner moved, Holum seconded. Motion carried.

ACADEMY STREET PARKING CONCERN: Resident Ron Johnson asked that the no-parking restrictions on Academy Street on the north side of the road be removed due to re-routing of bus traffic in this area due to the changes taking place within the property containing the Primary Center. It was recommended that Velloff contact the School District reference the routes and see if that restriction is needed any longer for bus traffic. Item tabled until we hear back from School District regarding the need for the no-parking side on the north side of Academy Street between Second and Fourth Street.

TRAFFIC CONCERN ON W. GARFIELD STREET WEST OF BLUE MOUNDS STREET: There was a discussion about a semi that parks on W. Garfield Street on the south side of the road potentially causing visibility issues with buses turning in and out of the bus garage. It was recommended that the owner of the semi tractor trailer be contacted and asked to voluntarily comply by not parking his semi on W. Garfield Street west of Blue Mounds Street due to the complaint from the bus garage staff. Item was tabled until we hear back from the owner if he will voluntarily comply with this request. It was decided if there is not compliance with this request, a recommendation be made to the Village Board at their October meeting to change ordinance 7.07(9) to say that no truck, van or bus parking be allowed from approximately thirty feet west of the bus garage driveway on W. Garfield Street to the intersection of Garfield and Blue Mounds Streets on the south side of the road. Rooney moved, Grindle seconded. Motion carried.

CROSSWALK AT SPELLMAN STREET AND HAMILTON DRIVE: Due to safety concerns from children walking to the Early Learning Center, it was asked that a crosswalk and a small no-parking area be designated crossing Spellman Street just east of Hamilton Drive. It was requested that Administrator Ross be contacted to see what would need to be put in place to have the crosswalk and no-parking recommendations put in. Grindle moved, McNall seconded. Motion carried.

BUILDING UPDATE: It was discussed that the windows have been replaced and much of the interior work has been completed on the Mt. Horeb Police Department. The exterior work is still in process and the timetable is maintained by Public Works Director Laurel Grindle.

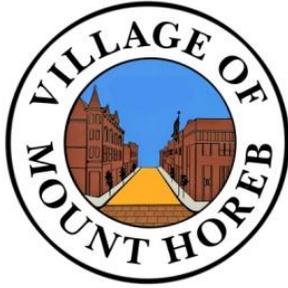

POLICE REPORTS RELEASE OF INFORMATION TO SCHOOLS: There was a recap of previous conversation that was delivered by Chair Rooney. McNall moved, Holum seconded to approve the draft protocol and recommend to the Village Board that this be approved. Motion carried.

NEXT MEETING: The next Public Safety meeting was set for October 3, 2011, at 5:00 p.m.

ADJOURNED: Grindle moved, Holum seconded to adjourn. Motion carried at approximately 7:05 p.m.

Respectfully submitted,

Jeff J. Velloff, Chief of Police

PUBLIC SAFETY COMMITTEE

OCTOBER 3, 2011

The Public Safety Committee of the Village of Mt. Horeb met on the above date at 5:00 p.m. in the conference room of the Municipal Building, 138 E. Main Street, Mt. Horeb, Wisconsin. Mark Rooney called the meeting to order with Steve Grindle, Mark Rooney and Steve Holum present along with Police Chief Jeff Velloff. Mike McNall and Greg Steiner were absent.

MINUTES: Grindle moved, Holum seconded to approve the minutes from August 29, 2011. Motion carried.

PUBLIC COMMENTS: Administrator Ross briefed the committee on a concern from a resident about noise related to trash pick-up at commercial establishments early in the mornings. Administrator Ross said he had contacted all garbage pick-up providers and they voluntarily agreed to not start picking up garbage in the Village of Mt. Horeb until at least 6:00 a.m.

Also discussed was the "No Semi Parking" on Garfield Street by the Mt. Horeb Area School District Bus Garage and the fact that the no-parking area had been painted and the signs had been put in place.

Chair Rooney asked if all public safety committee members could be available to start the meetings in the future at 5:30 p.m. instead of 5:00 p.m. due to the fact the village cable channel staff were unable to be present until 5:15 p.m. and needed time to set up to record future meetings. Chief Velloff stated he would contact all committee members about the 5:30 p.m. start time and get back to Chair Rooney.

AUDIENCE WITH DR. WAYNE ANDERSON: Dr. Wayne Anderson discussed the motor vehicle vs. pedestrian student that occurred on Perimeter Rd. at Lincoln St. He also discussed some safety options that had been addressed at a school safety meeting. Among these measures discussed at the school safety meeting were possible tip-up pedestrian crossing signs, additional crossing guards, a reduced speed zone on Perimeter between Garfield and Lincoln Street during school hours, a four-way stop at Perimeter and Lincoln Street and speed bumps in the area of the schools.

It was also discussed that since the motor vehicle/pedestrian accident, several hand-flag receptacles and red flags have been placed at the intersections of Lincoln/Perimeter, Hanneman/Garfield, Hanneman/Lincoln, and Lincoln/Eighth. Dr. Anderson also asked if flag receptacles and flags for pedestrian use could be placed at the walkway from the Vista Ridge subdivision across Highway 92 to the High School by the crosswalk. Chief Velloff advised he would speak with Public Works Director Grindle to have flags placed in that area. The committee asked Chief Velloff to look into the cost of a permanent speed display sign. Chief Velloff said he would provide the cost information at the next Public Safety Meeting.

Grindle moved, Holum seconded, to recommend to the Village Board a four-way stop sign at the intersection of Perimeter Road and Lincoln Street. Motion carried.

Grindle moved, Rooney seconded, to recommend to the Village Board that signs be posted displaying a reduced speed limit of 15 mph in a School Zone During School Hours, 100 feet north of the intersection of Lincoln and Perimeter Road (facing Southbound traffic), and another sign 100 feet south of the intersection of Garfield Street and Perimeter Road (facing Northbound traffic). Motion carried.

The Public Safety Committee and Dr. Anderson also discussed obtaining information from the police department about stopping for pedestrians in crosswalks and giving Dr. Anderson a copy of the information to post in their newsletter and website. It was also requested that the Mt. Horeb Police Department contact the Mt. Horeb Mail and provide them with the same information regarding crosswalk laws and ask if there was an interest in printing the information.

LOADING ZONE: Administrator Ross discussed that a resident brought to his attention the desire for a designated loading and unloading zone in the alley to the north of the 100 block of E. Main Street. Holum moved, Grindle seconded to recommend to the Village Board that a loading zone be created that would extend from the telephone pole located on the southwest corner of Well No. 3 in the alley behind 138 E. Main St., 65 feet to the west along the curb line of the parking lot and 10 feet wide to the south, of the telephone pole extending 65 feet west as well. It was also requested that signs be placed in that area indicating that it is a loading/unloading zone and additional signs be placed in the alley indicating "No Parking". Motion carried.

POLICE CHIEF REPORT: Chief Veloff advised the committee of recent calls for service as well as updating the committee on a conversation he had with Dr. Anderson with respect to no parking on the north side of Academy Street between N. Second Street and Fourth Street. Chief Veloff advised that in speaking with Dr. Anderson, there would be no problem eliminating the no parking for this school year due to the school construction. However, the school district would request no parking in that area for the 2012-2013 school year for the safety of students and parent drop off at that school. It was discussed that changing the parking for one year would cause confusion and it was decided to leave the no parking zone as is.

NEXT MEETING: The next Public Safety Meeting was set for October 31, 2011, at a time to be determined.

ADJOURNED: Grindle moved, Holum seconded to adjourn. Motion carried at approximately 6:00 p.m.

Respectfully submitted,

Jeff J. Veloff, Chief of Police

PUBLIC SAFETY COMMITTEE

November 28, 2011

The Public Safety Committee of the Village of Mt. Horeb met on the above date at 5:30 p.m. in the conference room of the Municipal Building, 138 E. Main Street, Mt. Horeb, Wisconsin. Chair Mark Rooney called the meeting to order with Steve Grindle, Mark Rooney and Steve Holum present. Also present were Police Chief Jeff Velloff, Officer Matthew Kakuske and Village Administrator Dave Ross. Mike McNall and Greg Steiner were absent.

MINUTES: Grindle moved, Holum seconded to approve the minutes from October 3, 2011. Motion carried.

PUBLIC COMMENTS: None.

CONSIDER SCHOOL SPEED ZONE ON PERIMETER ROAD: It was discussed that the school speed zone on Perimeter Rd. where previously approved would be 15 miles per hour when children are present. This is consistent with the previously approved language.

CONSIDER POLE MOUNTED SPEED BOARDS ON 8TH STREET: Chief Velloff advised the committee that, upon checking several sources, the cost per speed board would be \$4,000-\$8,000+ per unit. Administrator Ross discussed that in his conversation with school district administrator Anderson, the school district would be willing to purchase one unit if the village purchased the second unit. Item tabled.

McNall present at 5:50 p.m.

POWERPOINT PRESENTATION AND DISCUSSION OF HEROIN BY LEAD DRUG OFFICER KAKUSKE: Officer Kakuske presented a PowerPoint on the trends and usage of heroin in Dane County. He also answered specific questions from members of the committee.

POLICE CHIEF REPORT: Chief Velloff advised the committee of notable calls for service in September and October. He also briefed the committee on a heroin overdose that occurred in a public restroom on October 17th and that the department would be participating in a toy drive at the invitation of 96.3 Star Country. Officers have also been conducting extra patrol at the new stop sign location at Perimeter and Lincoln St.

NEXT MEETING: The next Public Safety Meeting was set for January 30, 2012, at 5:30 p.m.

ADJOURNED: Grindle moved, Holum seconded to adjourn. Motion carried at approximately 7:30 p.m.

Respectfully submitted,

Jeff J. Velloff, Chief of Police
