Kathy,

Based upon the steep slopes present on the parcel, we do not believe that the proposed 2 lot CSM would be of a major concern to the ETJ and Comp plan for future development of the Village. We would support approval of the ETJ CSM.

Village of Mt. Horeb
138 E. Main St
Mt. Horeb 53572

We have recently concluded a review of DaneCom's operating and maintenance budgets, and have determined that the Village of Mt. Horeb is currently \$8,833.00 in arrears. The purpose of this letter is to remind you of the Villages obligation to remit payment for the proportional share of DaneCom's costs.

As you know, Dane County and the Village of Mt. Horeb entered into an intergovernmental agreement ("IGA") on 08/21/2012 that set forth each party's obligations with respect to the operation and maintenance of the DaneCom emergency radio system. I have enclosed a copy of the IGA for your review.

Under the IGA, the Village of Mt. Horeb is obligated to "pay operating and maintenance costs on a semi-annual basis..." throughout the term of the agreement. (See Section 5A of the IGA.) Our records, however, reflect that the Village of Mt. Horeb's last payment to the county was in January, 2014. Accordingly, the Village of Mt. Horeb is currently not fulfilling its obligation under the IGA.¹

As you know, a portion of the DaneCom emergency radio system has been operational since 12/17/2013 when paging and some mutual aid channels were energized, and the enhancements requested by our public safety officers are set to go live this Fall. Therefore, in order to sustain the long-term efficacy of the DaneCom emergency radio system, it is critical that participating municipalities fulfill their role as partners in this endeavor and assist with funding the operation and maintenance of the system.

Please forward payment of \$8,833.00 within the next sixty (60) days so that we can continue to work towards our mutual goal of providing a robust emergency radio systems for our public safety officials and our citizens.

If you should have any further questions, or wish to discuss this matter, please do not hesitate to contact me at 608-267-1911.

¹ We are in receipt of the Town's notification to withdraw from DaneCom, as permitted under the IGA. However, as you acknowledge in your letter, the Town will remain a part of DaneCom until January 1, 2017.

Sincerely,

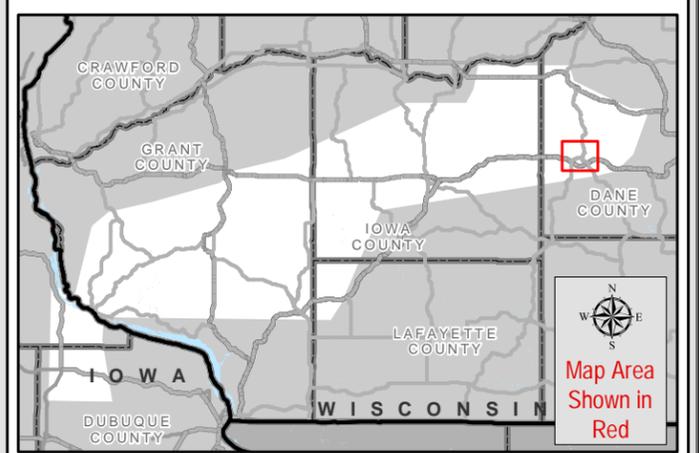

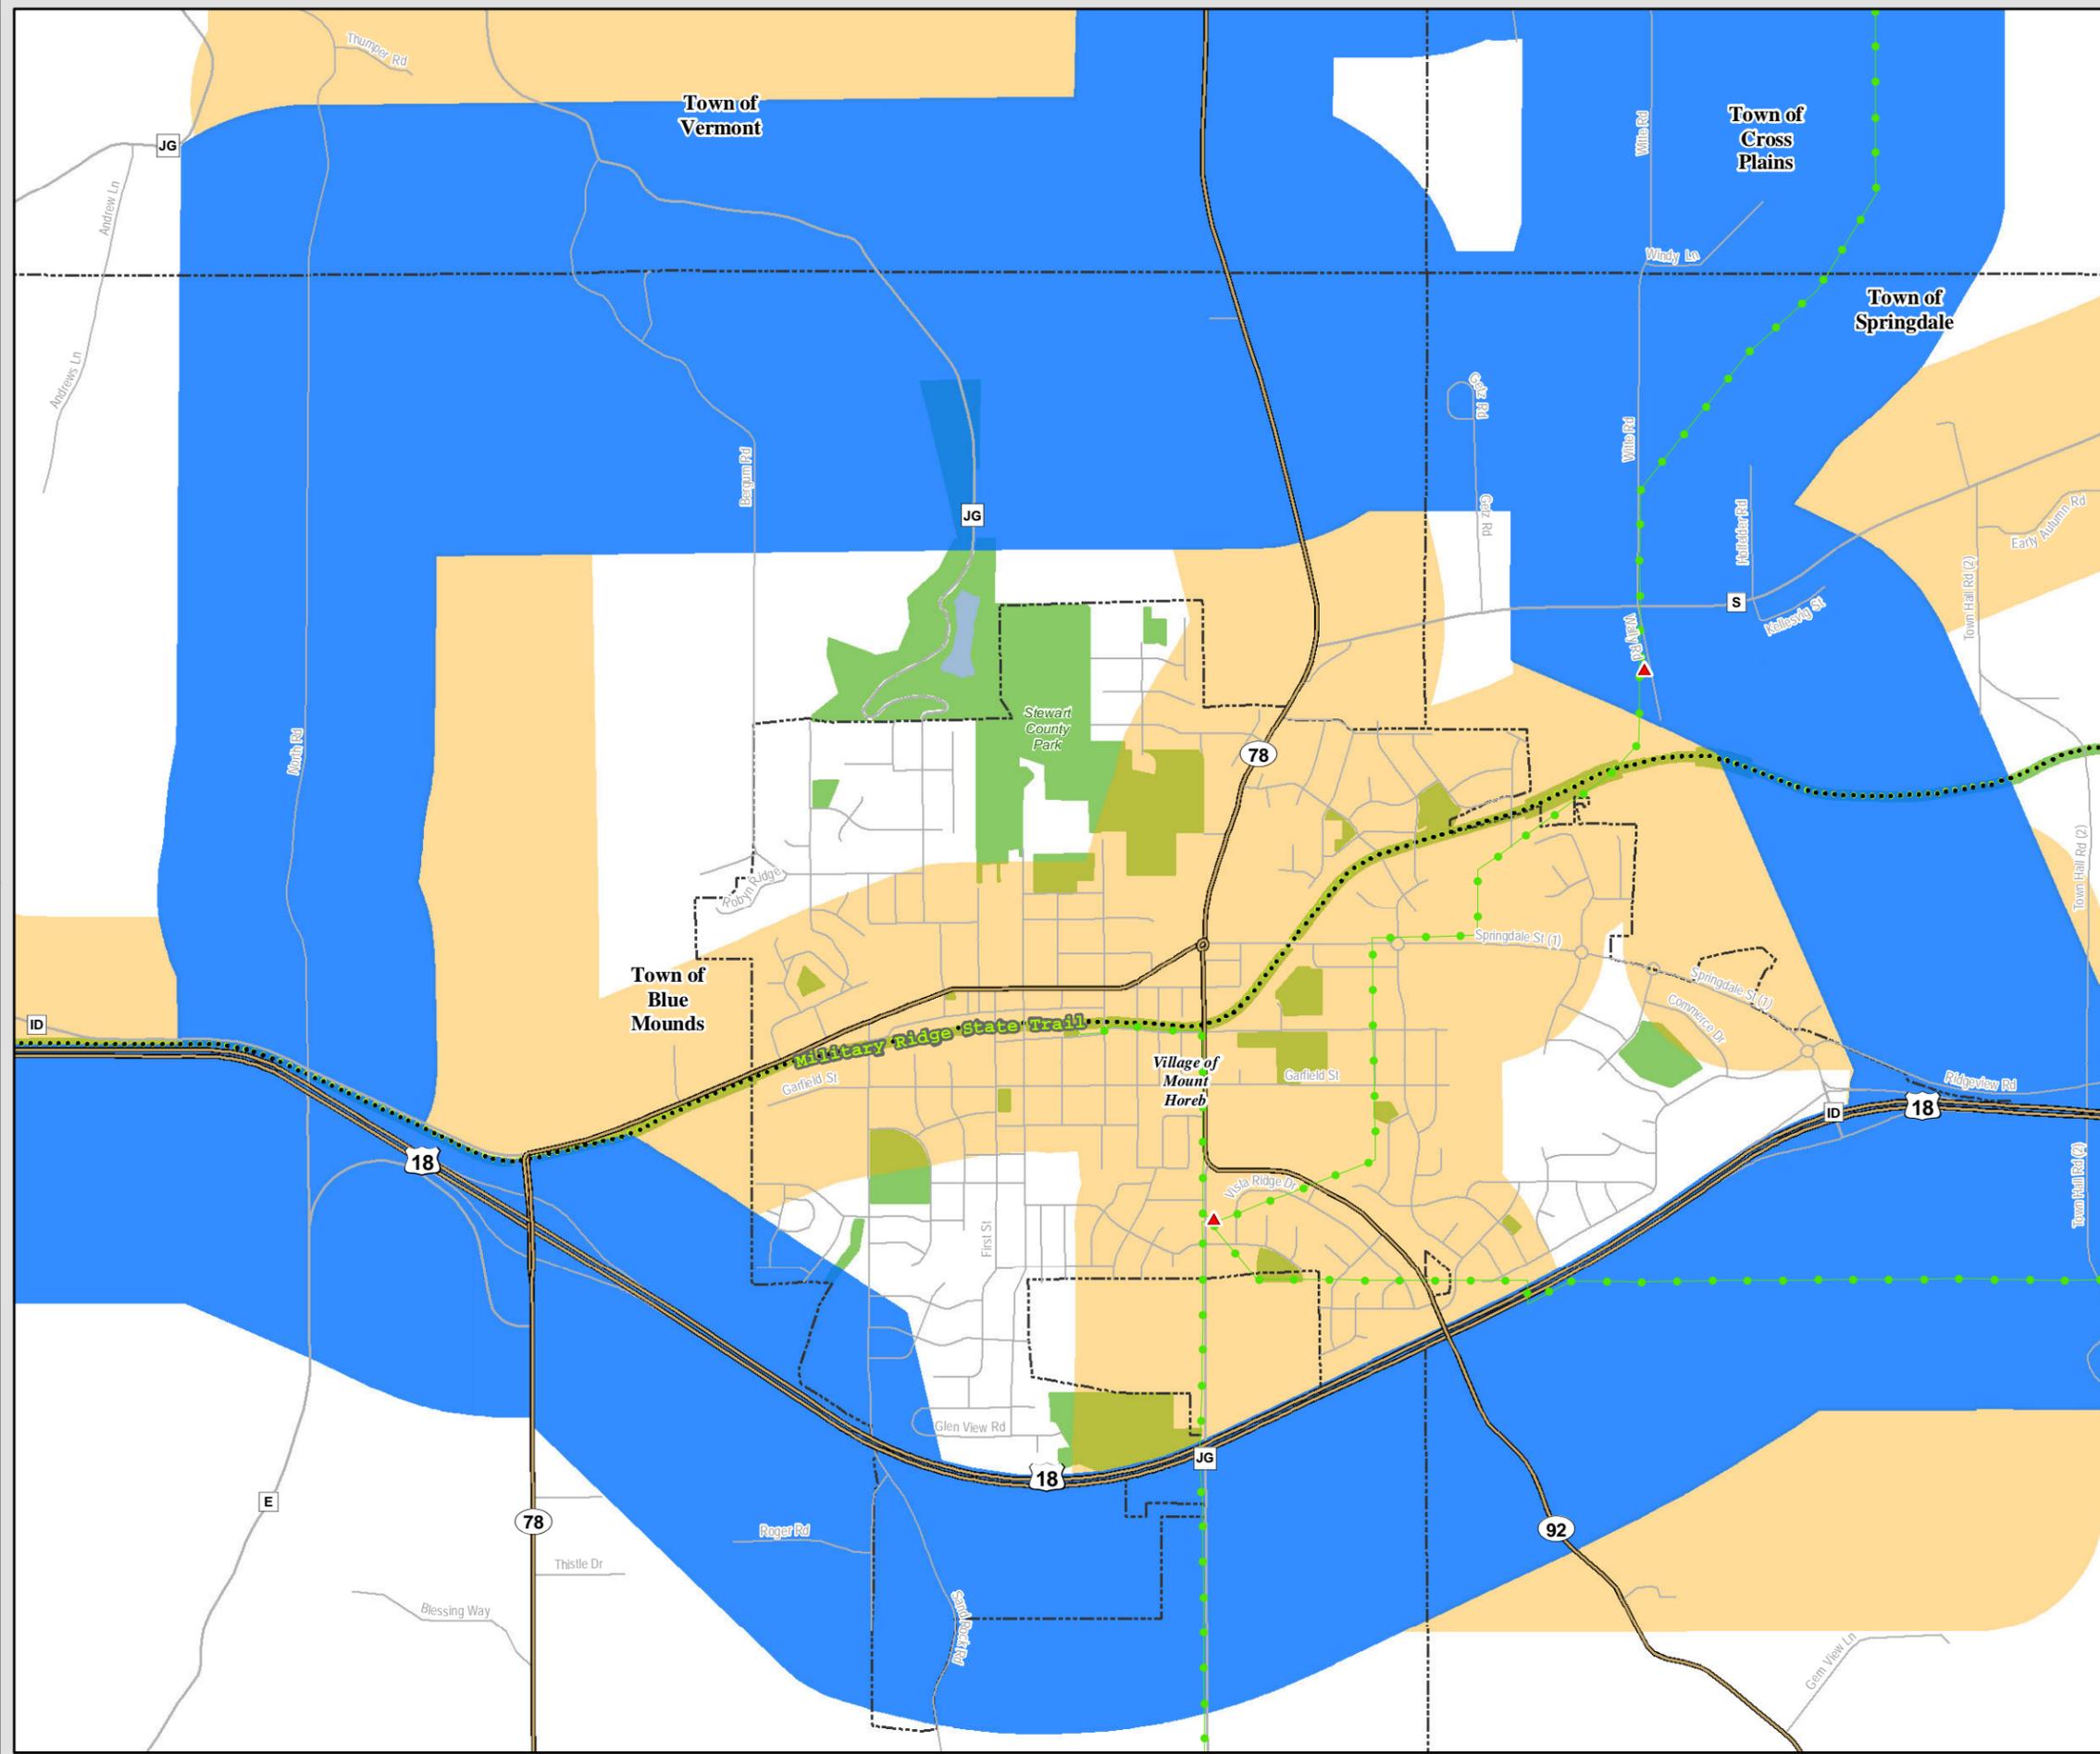

John Dejung
Dane County 9-1-1 Director
