

Mount Horeb Water Utility 608-437-3300
Mount Horeb Building Department 608-437-6884 ext 2116

Information:

- A General Building Permit application is required for second water meters.

Permit & Inspection Cost \$80 (*payable to Village of Mount Horeb*)

Meter Hardware Fee \$30 (*payable to the Mount Horeb Utilities*)

- A monthly meter fee will be charged on the Utility Bill every month (*with or without usage*)
- The break-even point for the second water meter is approx. 25,000-30,000 gallons of water a season

Please call the MH Utility Department to discuss the monthly fee and your current water usage at 608-437-3084

Water Meter Installation Diagram

 Brass Valves Mandatory

All water meters shall be installed horizontally with a 7 1/2" laying length

Second meters are never to be installed as deduct meters from primary meter
