

The Village of Mount Horeb values citizen input in its decision-making processes. One of the most effective methods of input is with citizen representation on Village Committees, Boards, and Commissions (hereafter referred to as Appointments). Citizens are nominated to Appointments by the Village President after each Spring election (April) and approved by the Village Board. All terms are for one year unless otherwise indicated. This form is to help the Village President identify a candidate pool of citizens to be approved by the Village Board.

Please respond to the following questions

Have you ever served on a governmental committee before? If yes, please provide details (community, role, years, etc).

What strengths and skills would you bring to an Appointment?

What goals (if any) would you have for the Appointment?

Do you have any scheduling conflicts?

What is your occupational, educational, or relevant background?

Please share any additional information
